### STICKY NOTES

Bright yellow colour, with the message "Give us a bell some time".

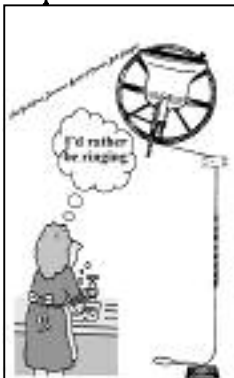

### TOWERS AND BELLS AROUND GUILDFORD

The 3rd edition of this popular book is now available, with many updates including full details of the millennium restoration projects at Crondall and Witley. The book features one page for each of the 63 ringing towers in the Guildford Diocese, with bell information, how to find the tower (and the pub), historical background. New in this edition is tenor note information. "I cannot recommend it too highly" said John Baldwin in his Ringing World review of the first edition.
